1. Attached is copy of the paper, referred to above, which was on the Agenda for the Executive Session of the second meeting of the CIA Career Service Board, which met on 17 September 1952. 2. On 14 April 1952 the paper was reported out of the Career Service Committee by General Davison, Chairman of the Committee, and referred to the Deputy Director for Administration for action with the indorsement of the Committee. The DD/A referred this to the AD/OPC in May and it has only recently been retrieved from that Office, the delay having been occasioned primarily by the reorganization of the covert Offices. The Chief, [REDACTED] has now concurred in the paper and urges its adoption (exception is taken only to Paragraph 3. f.).

3. The Executive Committee of the CIA Career Service Board has now asked that coordination be completed on this paper in order that it may be referred to the Board for consideration at its next meeting. Messrs. [REDACTED] were appointed by the Committee to execute coordination in the Office of Training, Office of Communications and the clandestine Offices. In order that additional coordination may be as complete as possible, may I have the opinion of the General Counsel by Thursday, 25 September 1952, for transmission to the Board with the Agenda for its next meeting?
